Table of Contents

1. Create Hugging Face Account

During this tutorial, we will access the Large Language Models (LLMs) though Hugging Face model repository - https://huggingface.co/models.

Since some of the LLMs are not publicly available, you require a Hugging Face account to access the models.

Please follow the instructions below to create an account if you do not already have one.

1. Go to https://huggingface.co/
2. Sign up for an account

2. Get Model Access

We will use 'mistralai/Mistral-7B-Instruct-v0.3' and 'meta-llama/Meta-Llama-3-8B-Instruct' for the tutorial. Both these models require users to follow their agreements to acquire access. Please visit the links below for each model and ensure you have access to them.

Note: It could take up to a few hours to grant you access following your request.
